

Premier League Football Tournament

Last week, our year 5 and 6 girls represented SJS in a Doncaster and district football tournament at the Eco Power Stadium. After an emphatic victory in their first game, the team began to play some fantastic football. The girls played seven matches in total, winning three, drawing three and losing just one, which meant they narrowly missed out on a semi-final place. Their teamwork, togetherness and determination throughout was exemplary. They even had the chance to meet and chat to two Doncaster Belle players to find out what life is like for a footballer. Well done, girls!
