## **Cross Country Champions!**

A team of 16 pupils represented Saltersgate Junior School at a local cross country tournament on Wednesday. All of the pupils ran brilliantly on a challenging course over a distance of close to one mile against many other pupils from their age/ gender group. How did we do? Our incredible team won all four trophies available meaning we were overall winners of the competition!

Most of our superstar runners managed to come in the top 4 of their respected race, including 1<sup>st</sup> place in three of the four races, meaning that the overall trophy went to Saltersgate Junior School.

Well done team!
