

Doncaster Cross Country Championships 2022

Congratulations to our incredible cross country team, who finished second place in the 2022 Doncaster Cross Country Championships at Hill House School on Saturday 12th March. Special mentions go to Jack, who finished 1st in the U9 boys race and Lily, who finished 2nd in the U9 girls race.

Due to the team's consistency over the four races, we were able to achieve a second place finish overall, finishing narrowly behind the hosts.

Well done, team!
